

Established in 1995, at the Gisborne South Swimming Centre, the South Gisborne Sharks is the longest running swimming club in the Gisborne community. The Club enjoyed great success from day one and continues this tradition today with both children and adults competing at National level.

Fuelling A Dream

The 2008 Beijing Olympics fuelled many young swimmers dream of gold and glory. Whilst most of our club members may not reach these dizzying heights we support their aspirations and try to make their short term goals achievable now.

The dedication of many of our club members is inspirational. The long training hours and focus requires great commitment and support.
